Kia Ora New Zealand Explorers:

We have traveled with Robert Panzer of Tailored Travel twice during the past five years, each time on a two week, custom designed wine, food and culture tour. On the first trip five years ago, we explored the North Island and the northern part of the South Island. Robert's careful attention to detail as to accommodations and food, and his selection of cultural sights and wineries provided a most enjoyable and informative vacation experience for us.

We have just returned from a second two week journey to the central and southern part of the South Island. We again enjoyed outstanding accommodations, food, winery visits and a wide diversity of historical, cultural and scenic experiences. As usual, Robert handled all of the arrangements flawlessly.

We recommend without reservation Robert's services for your customized tour of New Zealand. Robert is a safe and careful driver, and his Toyota Previa van provides comfortable transportation and excellent viewing of the sights. While on your tour, Robert will tend to every detail so that you can relax and enjoy your wonderful experience in New Zealand.

We hope to travel with Robert again!
